

## **Acknowledgment to Pay**

I \_\_\_\_\_ request that my tax preparation fee for filing my 2023 Taxes be deducted from my anticipated Tax Refund.

I understand and agree if by any chance that my refund is taken by the IRS (or any other Financial Institution) I will be notified by ReNew You Tax Service to clear up my outstanding tax preparation fee.

I understand and agree that I will be taking full responsibility of my tax preparation debt and pay all fees acclimated for all services rendered.
